SHARI ROBINS
Tour Educator

Shari grew up in Cleveland, Ohio and visited Israel for the first time at age 17. After that summer trip, she returned to Cleveland and declared she would one day live in Israel and be a tour guide!

Her passion for showing people Israel is still evident.

She made aliyah in 1984 after completing a BA in Jewish History and an MA in education from Ohio State.

Shari lives in Jerusalem with her family and two daughters.

A goal she has set for herself is to hike the 950 kilometer Israel Trail from Dan to Eilat, each month doing a portion.

At this point she has 250 km left!
